March 12, 2020

To finalise our International Women's Day symposium on scholarship by women, this post highlights some women working on International Economic Law (IEL) that the editorial team put together in the last couple of days. This post is therefore by no means intended to be exhaustive. We encourage our readers to add to our list. Next year with more time, we hope to have an even more extensive list of women working in IEL.

We begin by highlighting the hardworking contributing editors of Afronomicslaw.org:

Titilayo Adebola, Intellectual Property Law, International Economic Law, Food Law. University of Aberdeen. Nthope Mapefane, Competition Law, Financial Regulatory Compliance, Mining and Labour law. University of Pretoria. Luwam Dirar, Law and Development, International Economic Law, International Organisations, Human Rights, Third World Approaches to International Law.
