SIEL 2023: Early Bird Registration Deadline Extended to 5 June 2023

The Early Bird Deadline has been extended to 5 June 2023. You can register for the conference on the SIEL 2023 registration page on Eventbrite.

Should you encounter general difficulties with using PayPal, please send us an email at **sielconference2023@gmail.com**.

The SIEL 2023 program is available on the SIEL website. The conference theme *International Economic Law in Times of Geo-Political Confrontation & Geo-Economic Fragmentation*, reflects the current period of political and economic uncertainty.

The Eighth Biennial Global Conference of the Society of International Economic Law (SIEL) will take place on 12-14 July 2023 in Bogotá (Colombia), co-hosted by and in collaboration with Universidad Externado de Colombia and Universidad del Rosario Colombia.

The 2023 SIEL Global Conference aims to rebuild our community links after three years of not being able to come together. We encourage participation in person (a remote option will be available).

The program features several keynote speakers, four roundtables, 28 panels, poster presentations and the chance to connect and network with academics, practitioners, (inter)governmental and non-governmental representatives.

To register for the conference, please go the SIEL 2023 registration page on Eventbrite (please disregard any "Buy Tickets" button on the SIEL website).

Further information on visa requirements, hotel offers and transportation is available here.
