Registration now open: International Law Weekend 2023

Early-bird discount ends: September 10, 2023

The American Branch of the International Law Association (ABILA) is excited to announce that registration is now open for International Law Weekend (#ILW2023) which will be held October 19-21, 2023 in NYC. The unifying theme for ILW 2023 is *Beyond International Law*.

The conference will feature 35 panels (many of which offer CLE), a High-Level Opening Plenary, multiple keynote addresses, networking opportunities, the 101st Members Meeting, award ceremonies, and more. The Friday evening UN Mission Reception requires a separate ticket. The early bird discount ends on

September 10 and non-members can select the bundle rate for big savings. Register and learn more about International Law Weekend 2023 on our website.
