# Two New Job Opportunities with the Columbia Center on Sustainable Investment (CCSI)

**By:**

Columbia Centre on Sustainable Investment

23 July 2025

**Senior Legal Researcher, International Investment Law & Policy**

This position will collaborate closely with the director and research staff of the Columbia Center on Sustainable Investment (CCSI) to carry out the Center's applied research on the laws, policies, and practices influencing international investment, as well as its connection to sustainable development and human rights. The incumbent will contribute to ongoing projects and research related to the role and governance of investment in the realization of sustainable development. Specifically, this position will contribute to research and analysis of international investment policy and legal frameworks, and alternative policies and practices related to international investment.

**To apply, and learn more about the position, please see here**; *do not send applications directly to CCSI.* (Note: on the application page, the position

is listed as Associate Research Scholar).

**Senior Legal Researcher, Investment for Sustainable Development**

This position will collaborate with the director and research staff of the Columbia Center on Sustainable Investment to execute the Center's applied research agenda on the laws, policies, and practices that shape international investment and its alignment with sustainable development and human rights. The incumbent will contribute to ongoing projects and research related to the role and governance of investment in the realization of sustainable development. Specifically, this position will contribute to research and analysis of international investment policy and legal frameworks, and alternative policies and practices related to international investment, particularly with respect to the Center's focus on natural resource investments (e.g. land, agriculture and mining), the energy transition, human rights, and finance.

**To apply, and learn more about the position, please see here**; *do not send applications directly to CCSI*. (Note: on the application page, the position is listed as Associate Research Scholar).
