Afronomicslaw Academic Forum West Africa Symposium: Reclaiming African Economic Sovereignty in an Era of Global Disruption

By:

Afronomicslaw

October 13, 2026

Afronomicslaw Academic Forum West Africa's closing symposium, themed “Reclaiming African Economic Sovereignty in an Era of Global Disruption,” will take place virtually on Saturday, 7 November 2026, at 10:00 AM WAT.

The event will feature a keynote address and two research panels showcasing emerging scholarship on digital sovereignty, the AfCFTA and digital trade, gender-responsive regional integration, industrialisation, and economic sovereignty in the Sahel. There would also be a fireside conversation on building a career and a voice in African International Economic Law.

Event Details

• Date: Saturday, 7 November 2026

• Time: 10:00 AM WAT; virtual doors open at 9:45 AM WAT
